Sources for citation searching in the social sciences and business

| | | |
|--|---|--|
| ABI/Inform Global | National and International Business information | Database does not directly supply citing reference information, but full searchable bibliographies are provided. |
| Business Source Premier | Thousands of business journals from the 1965 to the present. | Use the "Cited References" link at the top of the main search page. |
| Factiva | Newspapers and Magazines in 22 languages | Database does not directly supply citing reference information, but full searchable bibliographies are provided. |
| Google | World Wide Web | Use "Find pages that link to the page" to find websites that link to a specific website. |
| Google Scholar Google Books | Books, journals, proceedings, and more in all disciplines. Date coverage is unknown | Narrow by discipline and/or date in advanced search. |
| PsycINFO | Books, book chapters, journals, and more in Psychology | "Find Citing Articles" links are included in search results, or search in "Reference Author" index. |
| ScienceDirect | Journals published by Elsevier B.V. | Select "SummaryPlus" or "Full Text + Links" and then select "Cited By". |
| Sociological Abstracts | Books, book chapters, journals and more in Sociology | "Cited By" buttons are available in records. |
| Web of Science | Journals and some series. Social Sciences (1956-present) | Use the "Cited Ref Search" for most complete information. |
| Worldwide Political Science Abstracts | International journal literature in political science and its complementary fields. | "Cited By" buttons are available in records. |
